PHOTONICS²¹
PHOTONICS PUBLIC PRIVATE PARTNERSHIP

2nd Adopters Open Call

Put a  next to the statement which is true for you:

- You are an End User/Technology Adopter
- You have an SME or slightly bigger company status
- You have a clear vision for applying laser technology to your manufacturing environment but aren't sure if it's worth it

If you have ticked all the boxes above,

[apply here to the](#)

[2nd Adopters Open Call!](#)

The application process will be open on 3 April at 0:00 CEST, but you can already fill in a form to express your interest.

Remember to apply before 30 June, 17:00 CEST!

What's in it for you?

- Mentorship from PULSATE Consortium partners in the technical and business feasibility assessment of the laser-based technology you would like to apply
- Equity-free funding up to 25 000 EUR
- Access to services offered by PULSATE Consortium partners

Join our webinars to find out more:

- Webinar 1: All you need to know about the open call - 12 April, 11:30 am - 12:30 pm CEST, [register here](#).
- Webinar 2: Assessment support and LBAAM Adoption - 10 May, 11:30 am - 12:30 pm CEST, [register here](#).
